...other institutions may, therefore, be established until at last, not a deaf adult in the United States may remain uneducated." – Laurent Clerc

Fever and fire had scarred his baby cheek,
And burned away sweet scent of flower and tree;
The music of his mother's voice grew weak,
Grew silent. All his life he was to be
Striving to bring the light to those like he
Whose ears were closed. Then came a man to seek
The Master Teacher, who could ease the bleak
And soundless lives beyond the Western Sea,
He did not flinch to face that far, strange land;
And we who hear not, count him with us still
Who showed us how, beyond each barren hill,
Life's vistas beckon toward a scene more grand;
Who by example and precept has taught
That obstacles when faced, dissolve to naught.

Valerie Sharer, ISD's Homecoming Queen - ISD's alumni, parents, students, fans, coaches and players were treated to an outstanding afternoon last Saturday as everything seemed to go right for the Deaf Hoosier faithful. The weather was sunny and breezy. The standing-room only crowd was plentiful. The ISD squad won the game, and the Homecoming Court was impressive. Queen Valerie Sharer was escorted by Daniel Pfaff. The rest of the Homecoming Court consisted of: Melissa Butterbaugh and Bobby Polstra, Nicole Green and Kevin Webster, Michelle Elmore and Michael Corbin, Angela Burdine and Jacob Dazey. The crowd enjoyed the game, the half-time ceremonies, couch potato drawing (won by the Bower family for the second week in a row!), and all of the booths that were set up by various classes, organizations and committees on campus. The Class of 1990 was recognized and about half of their members were on campus over the weekend to celebrate their ten-year reunion. We wish the same great weather, attendance and game results over the next two Saturdays as the team faces Wisconsin and Kentucky.

Spike Out - The ISD Varsity Volleyball players plan to participate in a Volleyball "SERVE-A-THON" to raise money for the team's volleyball trip expenses in the Spike - Out II. This will help defray the cost of the trip to the Model Secondary School for the Deaf on October 12 -15. The Varsity players challenge you to pledge an amount of money (\$.25 minimum) for each serve that they make out of 25 attempts. The players will get bonus serve-in if they declare specific numerical area and make accurate serve-in at the declared area. This bonus challenge will double the pledge for that serve-in only and players can make unlimited bonus challenges. This challenge event will be held on Wednesday, October 4th at 4:00 p.m. at Caskey Gym. The event will be monitored and witnessed by Brian Bippus, Bob Kovatch, Tami Hossler, Jackie McBroom, Melba Bippus and Keith Westhoelter. If you are interested in challenging our Varsity girls, please see one of the 10 girls: Brooke Aldrete, Melissa Buterbaugh, Natasha Greenler, Erica Hossler, Annalee Laird, Cherish Lewis, Candice Lisenby, Pia Marie Paulone, Elsie Ritchie, or Valerie Sharer.

Deaf Hoosiers Won Homecoming Game - Last Saturday, over 800 fans saw the Deaf Hoosiers play one of the best football games by beating MSSD, 36 - 19, during the Homecoming Event on such a beautiful day! It was ISD's first win after 5 games. Mark and Karen Bower won a raffle by sitting on the "Potato Couch" sponsored by the PTCO. They got a very good view of the game and received free drinks and food served by one of the hostesses. The Potato Couch is a fundraising project for the new outside playground in the Pre-School Department. The raffle drawing will occur during every home football game. In the football game, ISD's Robert Haney carried 29 times for 297 yards (with 151 yards called back by two penalties). He could

have rushed for a total of over 440 yards which could have been a school record. Highlights included Onye Davis for 64 yard fumble recovery for a touchdown and Haney 91 and 40 yard touchdown runs. Deaf Hoosiers' defense improved greatly and really stopped them the last three quarters. Haney was simply impressive and unstoppable. The boys played hard as a team with a full roster for the first time this year. It was a perfect Homecoming Win against a very good, well respected, and big Deaf School from Washington, D.C. Saturday, October 7 at home against Wisconsin (2:00) and Saturday, October 14 against Kentucky at home (2:00)

ISD Awarded Safe and Drug Free Schools and Communities Grant - ISD was awarded a \$1050 grant from the Drug Education Intervention Department at Indianapolis Public Schools. IPS invited a number of schools in Marion County and provided schools with a fund based on the number of each school's students. Bruce Peters attended the meeting to learn that ISD is fortunate to receive \$1050. ISD will use this to purchase posters, games, and books. You can see these posters mostly in Student Responsibility Center, Alumni Building, Room 209 and Social Skills Classes in Elementary Department. Please ask Mike McGeath where they are! The residence hall has these posters; please ask Cindy Pickering where they are! The games and books are located in Bruce Peters' office, Alumni Building, Room 211. You may come and borrow these for your classes. Counseling teams will use these materials for our group counseling activities with students. IPS's motto is Soar Straight - Be Free - Success without Drugs Together we will develop capable, healthy, and drug-free students. ISD will use the same motto!

Last Day! Volunteers Needed - Volunteers are needed to assist with the Mr. & Ms. ISD Teen Pageant on November 16. The openings include stage manager, assistant stage manager, house manager, spotlight crew, backstage crew, reception committee, transportation committee, registration committee, activities committee and greeting committee. If you are interested in volunteer for one or more of the openings, please contact Cindy Pickering or Yvonne Catt before October 2nd.

Tour - Allisonville Elementary School will be touring campus with Donna Stutler and Pia Marie Paulone. They will meet the group in front of the Health Center at 8:45 and end the tour around 10:00 am.

Opportunities

ICRID Fall Conference & Annual Meeting and Workshops - On October 27 & 28, 2000, the Indiana Chapter of the Registry of Interpreters for the Deaf will have its Fall Conference. Presenters will include Jim Van Manen and Cynthia Roy. Registration will occur on Friday evening and include a costume party, auction and finger foods. On Saturday, the agenda will include breakfast, the business meeting, concurrent workshops, lunch, keynote speaker, banquet and awards. Fees for the conference are \$80 for ICRID/IAD/Region III members and \$100 non-members. Assistant Varsity Basketball Coach Named - Aimee Bippus, ISD Class of 1990, has accepted the position of Assistant Coach for Varsity Girl's Basketball Team. Aimee will bring her knowledge and talents from her stellar career at ISD. She was 3-time MVP and led the team in career points, steals, and rebounds. She also received CSSD All-Star, All-American, and Honorable Mention recognition from many publications. She played volleyball for 2 years at Gallaudet University and coached Middle School Girls' Basketball at Kendall School. Before joining Ken Kramer's crew, she coached Middle School sports including volleyball, girls' basketball and track at ISD for 2 years. Welcome, Aimee!

Sports Update – The ISD Varsity Volleyball Team claimed their 14th victory over Kokomo Christian to shake off a bad loss from last week. Cherish, Melissa, and Valerie made combined 28 kills to entertain our audience. Pia Marie and Brooke set out 27 assists to pace our offense. Erica with 2 blocks and Elsie providing solid defense in the middle filled out the strong team effort. The Player of the Match was Cherish Lewis with 13 kills, 8 for 9 serving, and 89% efficiency. The team's current record is 14 - 4 Their next match is away against Golden Eagles on Thursday, October 5th (4:30).

The Middle School B Football Team played our fifth game yesterday against the Christian Park Jaguars. Their boys were much bigger and played a good, physical game for all of us. We struggled and tried to move the ball against

Scoliosis Screening – The Health Center will screen 9th Grade students for scoliosis during their gym classes. What is scoliosis? Everyone's spine has natural curves. These curves round our shoulders and make out lower back curve slightly inward. But some people have spines that also curve from side to side. Unlike poor posture, these curves can't be corrected simply by learning to stand up straight. This condition of side-to-side spinal curves is called scoliosis. On an x-ray, the spine looks more like an "S" or a "C" than a straight line. Some of the bones in a scoliotic spine also may have rotated slightly, making the person's waist or shoulders appear uneven.

The screening will occur on the following dates:

Thursday, October 19 - 12:45 (Girls)

Love all, trust a few, do wrong to none. – W. Migner

Are You Relevant?

Each year, the staff at Beloit College in Wisconsin puts together a list to try to give the faculty a sense of the mindset of that year's incoming college freshmen. It frequently demonstrates the wide experiential gap between college freshman and their teachers. Here is this year's list:

- The people who are starting college this fall across the nation were born in 1982.
- They have no meaningful recollection of the Reagan Era and probably did not even know that he had ever been shot.
- They were prepubescent when the Persian Gulf War was waged. Black Monday, 1987 is as significant to them as the Great Depression.
- There has only been one Pope.
- They were 11 when the Soviet Union broke apart and do not remember the Cold War.
- They have never feared a nuclear war.
- They are too young to remember the space shuttle blowing up.
- Tiananmen Square means nothing to them.
- Their lifetime has always included AIDS.
- Bottle caps have always been screw off and plastic.
- They have likely never played Pac Man and have never heard of Pong.
- As far as they know, stamps have always cost about 33 cents.
- They have always had an answering machine.
- Most have never seen a TV set with only 13 channels, nor have they seen a black-and-white TV.
- They have always had cable.
- They cannot fathom not having a remote control.
- Roller-skating has always meant "in line" for them.
- Jay Leno has always been on the Tonight Show.
- They have no idea when or why Jordache jeans were cool.
- Popcorn has always been cooked in the microwave.
- They have never seen Larry Bird play.
- They never took a swim and thought about Jaws.
- The Vietnam War is as ancient history to them as WWI, WWII, and the Civil War.
- They have no idea that Americans were ever held hostage in Iran.
- They can't imagine what hard contact lenses are.
- They don't know who Mork was or where he was from.
- They never heard: "Where's the beef?" "I'd walk a mile for a Camel" or "De plane, de plane!" And how about "Fine Corinthian leather"?
- They do not care who shot J.R. and have no idea who J.R. is.
- The Titanic was found? They thought we always knew where it was.
- Michael Jackson has always been white.
- Kansas, Chicago, Boston, America and Alabama are all places, not rock groups.
- McDonalds never came in Styrofoam containers.
- There has always been MTV.
- They don't have a clue as to how to use a typewriter.

Do you feel old yet? Is your teaching style still relevant to your students?

Make Ups – Friday, October 13

Staff – May come at any time throughout the week. Specific times will be announced next week.

Spike Out - The ISD Varsity Volleyball players plan to participate in a Volleyball "SERVE-A-THON" to raise money for the team's volleyball trip expenses in the Spike – Out II. This will help defray the cost of the trip to the Model Secondary School for the Deaf on October 12 -15. The Varsity players challenge you to pledge an amount of money (\$.25 minimum) for each serve that they make out of 25 attempts. The players will get bonus serve-in if they declare specific numerical area and make accurate serve-in at the declared area. This bonus challenge will double the pledge for that serve-in only and players can make unlimited bonus challenges. This challenge event will be held on Wednesday, October 4th at 4:00 p.m. at Caskey Gym. The event will be monitored and witnessed by Brian Bippus, Bob Kovatch, Tami Hossler, Jackie McBroom, Melba Bippus and Keith Westhoelter. If you are interested in challenging our Varsity girls, please see one of the 10 girls: Brooke Aldrete, Melissa Buterbaugh, Natasha Greenler, Erica Hossler, Annalee Laird, Cherish Lewis, Candice Lisenby, Pia Marie Paulone, Elsie Ritchie, or Valerie Sharer.

I can remember the first time I had to go to sleep. Mom said, "Steven, time to go to sleep." I said, "But I don't know how." She said, "It's easy. Just go down to the end of tired and hang a left." So I went t down to the end of tired, and just out of curiosity I hung a right. My mom was there, and she said, "I thought I told you to go to sleep." – Steven Wright

ISD Library receives \$25,000 Grant from the Indianapolis Foundation

ISD Library received a grant from Indianapolis Foundation worth \$25,000. Ten thousand dollars (\$10,000) will be available after November 21, 2000 with the remaining funds coming to the school after September 31, 2001. The funds will be used to purchase technology-enhancing educational equipment. Librarian Linda Canty will inform the ISD community of her plans for the funds after they have been formally approved by the Indianapolis Foundation.

FIREBALLS AT WORK

FIREBALLS to five ISD students who participated in the 2000 Summer Reading Program at the Indianapolis-Marion County Public Libraries. They joined a crowd of 57,959 readers who helped to "Raise the Roof Readers" summer reading program. The students earned points by being involved in the self-directed reading program. Participants could then exchange their points for gel pens, a Indy Parks Pool Pass, paperback books, tickets to Library Night at the Indianapolis Indians or food from Village Pantry and Steak 'n Shake. Congratulations to Sparkle Bates (Sixth grade), Emma Boldonado (Kindergarten), Tony Dall (3rd Grade), Keith Jones (3rd Grade), Sarah Margolis-Greenbaum (Kindergarten) and their parents for raising their love of books this past summer.

ISD Varsity Volleyball Team WINS CSSD

Our Varsity girls arrived, played, conquered, and returned home with their 3rd straight CSSD championship!! In the first match against Michigan, there was no contest as they were in their 8th day of volleyball action. Playing against her aunt, head coach of MSD, Cherish displayed her power and savvy in making 10 serve aces (15/16 serve for 94%). The match scores were 15 – 1 and 15 – 1.

In the next match, it was critical as ISD needed to move up in its National ranking from #3 to #2. The #2 team, Minnesota, beat Wisconsin handily a few weeks earlier. We were determined to limit them to few points. Pia Marie excelled in her serving (4 aces, 9/9 for 100%) and stood out with 6 assists. The match scores were 15 – 5 and 15 – 1.

During our third match against Illinois, it was a sleepwalk for most of us as Pia Marie served for 25 points out of 30 team points. Erica and Valerie weren't needed in front row at all. Pia Marie made 25 perfect serves for 100% efficiency and accounted for 10 aces. The match scores were 15-2 and 15 – 0.

The final match against Ohio gave us a chance to showcase our Seniors, Valerie and Melissa, in their final CSSD tourney. Everybody played and won the championship together as a team. Valerie closed her 3 championship run with 8 serve aces, 9 serve points, and 3 assists. The match scores were 15 – 3 and 15 – 4. Cherish Lewis and Pia Marie Paulone received All-Stars Honors. ISD's match record was 4 – 0, and the game record was 8 – 0. The team scored 120 points and allowed only 17 points. The team was truly a powerhouse last weekend! Excellent job, Big Orioles!!!

Highlights and Records - ISD won its 2nd consecutive game defeating Wisconsin on Saturday. ISD kept improving and was too strong for WSD. ISD dominated both sides, offensively and defensively. Two school records were broken and recognized during the game. Robert Haney, playing only his 6th game this year and 2nd year of organized football, had 29 carries for 407 yards. This broke the old school record of 315 made by Caraharee Vasquez. Robert also had 7 touchdowns, which broke Andrew Metz's school record of 6. Onye Davis again ran and played very well providing strong support with 15 carries of 105 yards and a TD. Cornerback Will Dickmann had 2 interceptions. ISD has improved playing together as a team and as one unit for the 2nd straight weekend. Beating and upsetting MSSD during ISD Homecoming was definitely the highlight and may be the turning point. The team's record stands at 2- 5. ISD hosts Kentucky Deaf this Saturday and is shooting for its 3rd straight victory.

Brown Cafeteria - So many people are curious about the opening of the newly renovated Brown Cafeteria. We are putting the finishing touches on everything. Moving plans are in the works and, as soon as an opening date is confirmed, the date will share this with everyone. The cafeteria looks World Class!

New Service – The Class of 2001 will have Krispy Kreme donuts available in the Preschool, Elementary, Middle School and High School Secretary Offices at 7:30 on Mondays and Fridays through October 31. The donuts will be \$.50 each. The class will continue to sell at their other location throughout the month. Support the Class of 2001.

Deaf Concerns Council (DCC) – DCC will have a meeting on Thursday, October 12 in the Distance Learning Classroom of Vocational at 3:15.

Scoliosis Screening – The Health Center will screen 9th Grade students for scoliosis during their gym classes. What is scoliosis? Everyone's spine has natural curves. These curves round our shoulders and make our lower back curve slightly inward. But some people have spines that also curve from side to side. Unlike poor posture, these curves can't be corrected simply by learning to stand up straight. This condition of side-to-side spinal curves is called scoliosis. On an x-ray, the spine looks more like an "S" or a "C" than a straight line. Some of the bones in a scoliotic spine also may have rotated slightly, making the person's waist or shoulders appear uneven.

The screening will occur on the following dates:

Wednesday, October 18 - 12:45 (Boys)

Thursday, October 19 - 12:45 (Girls)

Need a Flu Shot? – A Flu Vaccine Clinic at the Health Center will be provided by the "Coming of Age" organization on Monday, October 16 from 2:00 – 4:00 pm for students, staff and parents. Cost for the flu shot is \$10; the pneumonia shot is available for \$25. Please make checks payable to "Coming of Age". A consent form also needs to be completed. Call the Health Center for more information.

ISD Jerseys for Sale – The Class of 2001 is selling ISD Jerseys that say Indiana Deaf School on the front with the ISD logo. On the back you can have a name printed with a number such as your class year. The cost varies from \$20 for a plain jersey to \$38 for a XXXL. Colors are black or orange. See a Senior or Beatrice Pfaff to purchase the jerseys. Deadline for ordering is October 20 with delivering on November 30. *The price for the jerseys will increase with the next order. Hurry and save your money! Order now!!!*

ISD Neck Straps for Sale – The Class of 2001 is selling Indiana Deaf School neck straps for \$8.00. These are great for keeping your keys always accessible. The straps are available through October by contacting a Senior or Jamie Carr. Possible uses for the straps are ISD IDs or your keys. Buy several and support the Class of 2001.

A Thank you note from Amanda... - I would like to tell ISD how much I am truly thankful to everyone! Gally really makes me appreciate ISD more! Now, I know ISD is the best school because I have talked to many of my friends who come from other states and they kept said how lucky I am graduated from ISD! Thank you again. - Amanda Huser

State Employee Campaign - I want to take a moment and thank everyone for their support in this year's State Employee Campaign. Our school is a World Class School, and it showed by the way everyone participated in lending a helping hand to others in need. But, all good things must come to an end. If anyone would like to still contribute for this year, please do so this week. I need all forms returned to my office no later than Thursday, October 12th. The campaign will end this week, and contributions will not be asked for until next year. Please return all forms to Sylvia Applegate, Bldg 6, Room 122. Again, I want to thank everyone for helping with our campaign this year. – Sylvia Applegate

Yester was a busy day in our last home Cross Country meet! It was an unexpected crown on the football field when Northwest brought 30 boys. The total of all teams were about 43 boys and 13 girls. Andy Barker got 1st place (17:31), Enzo Hicks placed 18th (20:31), Nick Curtin placed 27th (22:10) and Drew Robarge placed 36th (24:48). Congratulations to Andy Barker for beating all teams individually! Our next meet will be the sectional at Brebeuf on Saturday, October 14th.

Volleyball – Coming from an excellent performance at CSSD volleyball tourney, Indiana Varsity struggled to play with spirit and emotions against Manual. Our skills and fundamentals prevailed as we coasted to our 19th victory. Our balance offense attack came from Erica's 5 kills, Cherish's 6 kills, Valerie's 6 kills and Pia Marie's 14 assists. Player of the match – Melissa Butterbaugh 2 kills, 2 blocks, on way to perfect "i" kills. Record: 19-4. Next stop at MSSD for Spike Out on October 13-14.

Scoliosis Screening – The Health Center will screen 9th Grade students for scoliosis during their gym classes. What is scoliosis? Everyone's spine has natural curves. These curves round our shoulders and make out lower back curve slightly inward. But some people have spines that also curve from side to side. Unlike poor posture, these curves can't be corrected simply by learning to stand up straight. This condition of side-to-side spinal curves is called scoliosis. On an x-ray, the spine looks more like an "S" or a "C" than a straight line. Some of the bones in a scoliotic spine also may have rotated slightly, making the person's waist or shoulders appear uneven.

The screening will occur on the following dates:

Wednesday, October 18 - 12:45 (Boys)

Thursday, October 19 - 12:45 (Girls)

School Profile Committee – There will be no School Profile Committee meeting today. The next meeting will be on October 25th at 3:20 p.m.

Need a Flu Shot? – A Flu Vaccine Clinic at the Health Center will be provided by the "Coming of Age" organization on *Monday, October 16 from 2:00 – 4:00 pm* for students, staff and parents. Cost for the flu shot is \$10; the pneumonia shot is available for \$25. Please make checks payable to "Coming of Age". A consent form also needs to be completed. Call the Health Center for more information.

Good News from the Brown Cafeteria – The cafeteria will open on Monday, October 16. The normal schedule for meals will be in effect. Come and see our new facilities!

IISL Volleyball Tourney Information - The ISD 5/6th Grade Team will play Park Tudor at 4:30 p.m. at Bethesda on Monday, October 16th. The ISD 7/8th Grade Team will play St. Richards at 5:45 p.m. at St. Richards on Monday, Oct. 16th. Perfect Pass, Good Set, Hard Spike!!!

Sports Update – The Intermediate B Football team (Grades 4, 5, & 6) had a good closure to the season last Tuesday after beating the Christian Park Vikings 8 to 7. It was a good way to end the last chapter of the season. We ended with three wins and three losses. Not bad for a team in which half of the players had never played football before. The boys have shown an extreme amount of improvement from day one to now. They learned how to block and tackle in order to win their games.

The last game against the Vikings was a heart stopper and thriller! The Vikings scored the first touchdown and earned the extra point. The first half ended 7 to 0 in favor of the Vikings. During half-time, Robert Haney gave our team a pep talk. He emphasized confidence and playing hard throughout the second half. As the second half began, we struggled to move the offense against their bigger linemen. With just one minute left in the Fourth period, we recovered a fumble and Ryan Bailey scrambled all the way for an eighty-yard touchdown. The game was 7 to 6 which wasn't good enough. The coaches sent in a play, but at the last minute after seeing his tight-end covered, Quarterback Gabriel Paulone changed the play from a pass to a run. He ran the distance for two points giving the lead to ISD, 8 to 7. The Vikings didn't give up marching up for fifty yards until only one more play was left in the game. ISD stopped their Hail Mary pass. ISD wins!! The team celebrated its third victory on the field!

The coaches want to thank all of the volunteers who helped during the games. Also thanks to the parents, families, friends and staff for making this a great season. Special thanks go to Robert Haney for his great pep talk. – Coaches Mike Paulone, Ron Scheible and Zachary Johnson

News from Outreach - On September 20, the Department of Education/Division of Special Education approved the ISD CIM (Continuous Monitoring Report). The CIM Report for the school year 1999-2000 will be in the Irene Hodock Library as a public document. The CIM Report consisted of 67 indicators (expectations) set forth by the federal and state DOE's for which ISD submitted support data and improvement plans on how we would meet the indicators. Annually, ISD will submit a report on the progress we are making toward these indicators. In addition to the annual reporting process, the Division of Special Education will begin onsite visits in the year 2002.

Donna Stutler has moved to a different office. Her office in the basement of Alumni Hall, Room G29. Her new phone extension is 920-0296. Stop by and check out her new digs!

November 16	Mothers Day
January 25	Fathers Day

Students & PAC - The MS/HS Parent Advisory Council meets the second Monday of each month from 3:30 to 5:30 in Jerry Thixton's Office. The purpose of the Parent Advisory Council is to meet with ISD staff to discuss ideas, concerns, and issues in regards to Middle School and High School education, residential programs, athletics, etc. These meetings are only open to ISD parents and staff. However, Middle School or High School students may attend as long as they have contacted the PAC Chairperson, Tami Hossler, at least two weeks prior to the PAC meeting so that their topic of discussion can be put on the PAC agenda. (Students should not show up to attend a meeting unless they are on the PAC

agenda.) *Before a student contacts the PAC, students must first try to resolve their issues or voice their concerns through their parents, educational supervising teachers and principal, residential staff, athletic director, guidance counselor, or class sponsor. - Tami Hossler, onthego321@aol.com Phone - (317) 823-5191 V/TTY

Library News – The old furniture outside of the Irene Hoddock Library is available. Please come and help yourself to any of the pieces that you want. The remaining pieces will be removed soon.

Health Center News - The Health Center would like to invite students and staff to visit us to view our patriotic bulletin board that includes Peggy Noe's collection of campaign buttons that date from the early 1900s until the late 60s. Come by, check it out and see how many former Presidents you can recognize/name. Get in the patriotic spirit!!

ISD Jerseys for Sale – The Class of 2001 is selling ISD Jerseys that say Indiana Deaf School on the front with the ISD logo. On the back you can have a name printed with a number such as your class year. The cost varies from \$20 for a plain jersey to \$38 for a XXXL. Colors are black or orange. See a Senior or Beatrice Pfaff to purchase the jerseys. Deadline for ordering is October 20 with delivering on November 30. *The price for the jerseys will increase with the next order. Hurry and save your money! Order now!!!*

ISD Neck Straps for Sale – The Class of 2001 is selling Indiana Deaf School neck straps for \$8.00. These are great for keeping your keys always accessible. The straps are available through October by contacting a Senior or James Carr. Possible uses for the straps are ISD IDs or your keys. Buy several and support the Class of 2001.

Holiday Wreaths – The Class of 2001 is selling holiday wreaths. The wreaths will arrive at ISD on November 30. The deadline for your order is November 8. You may also send a wreath directly to a friend for a small fee. These wreaths will be shipped on December 10. The wreaths cost:

- 26" Balsam Wreath \$18
- Balsam Gift Pack (includes wreath & brass hanger) \$30
- 34" Christmas tree Wreath \$30
- 36" Mailbox Swag \$18
- 24" Balsam Swag \$14
- 20 ft Balsam Garland \$25
- 13 3/4" Solid Brass Hanger \$5

See a Class of 2001 students (senior) or a class sponsor to order. The sponsors are Loretta Hammel, James Carr and Beatrice Pfaff.

Help – Alexandra McKenny from Girls Incorporated is seeking someone with ASL experience to come to her organization to explain ASL to her students. Her organization is located at 3959 North Central Avenue. Her number is 283-3316.

placed 34th (23:25), and Drew Robarge placed 41st (25:33). He was not the last runner in the race. There were four boys behind him; he also improved his time!

Tuesday was a busy day in our last home CC meet! It was unexpectedly crowded on football field as Northwest brought 30 boys. The total runners from all of the teams were 43 boys and 13 girls. Andy Barker got 1st place (17:31), Enzo Hicks placed 18th (20:31), Nick Curtin placed 27th (22:10) and Drew Robarge placed 36th (24:48). Congratulations to Andy Barker as he beat everyone in the individuals! The next meet will be the sectional at Brebeuf on Saturday, October 14th.

Coming off an excellent performance at CSSD tourney, the ISD Varsity volleyball Team struggled to repeat its spirit and emotion against Manual. Yet, our skills and fundamentals prevailed to guarantee the 19th victory of the season. The match scores were 15 - 7 and 15 - 5, which were made possible by Hossler's 5 kills, Lewis's 6 kills and Sharer's 6 kills along with Paulone's 14 assists. The Player of the Match was Melissa Buterbaugh with 2 kills, 2 blocks, on way to perfect kills. The team's record is 19 - 4. Their next stop is MSSD for Spike Out II on October 13 and 14.

ISL Volleyball Tourney Information - The ISD 5/6th Grade Team will play Park Tudor at 4:30 p.m. at Bethesda on Monday, October 16th. The ISD 7/8th Grade Team will play St. Richards at 5:45 p.m. at St. Richards on Monday, Oct. 16th. Perfect Pass, Good Set, Hard Spike!!!

Sports Update – The Cross Country Sectional at Brebeuf was pretty good for our ISD CC Team. The running course was pretty tough because of many hills and lots of woods. There were a total of 73 boys competing. Tim Marshall placed 52nd Followed by C.L. Young at 56th. Nick Curtin placed 59th, and Drew Robarge placed 62nd. The team has tried its best throughout the season. Also, this is their first time competing in the sectionals. Our team record was 2 wins and 7 losses. We look forward to next year's season and hope more boys will join our team. - Darin Turner, Coach

New ISD Product Available - *Attention, Students, Staff, Parents, ISD Supporters, and Fans in General!* If you want to show your school spirit by proudly wearing the "Orange and Black," then you will want to look at and try on the two varieties of nylon-shell pullover v-neck sweaters in the Principal's Office. The logo "INDIANA" is on the front in either block or script letters. The thinner material (orange sample) is available in either orange or black and costs \$40.00. The thicker material (black sample) is available in black only and costs \$45.00. There is an additional cost for XXL (\$2.00) and XXXL (\$4.00). Both sweaters have elastic color coordinated collars, arm cuffs, and waist bands. They both also have side pockets. There is approximately a two-week period from the time of order to delivery. The first order will be placed in early November so that delivery for basketball, wrestling, and swimming seasons, Christmas gifts, and the CSSD Tournament should be guaranteed. Contact the principal's Office to view or order these sweaters. Go, ISD!!

New Service – The Class of 2001 will have Krispy Kreme donuts available in the Preschool, Elementary, Middle School and High School Secretary Offices at 7:30 on Mondays and Fridays through October 31. The donuts will be \$.50 each. The class will continue to sell at their other location throughout the month. Support the Class of 2001.

Scoliosis Screening – The Health Center will screen 9th Grade students for scoliosis during their gym classes. What is scoliosis? Everyone's spine has natural curves. These curves round our shoulders and make out lower back curve slightly inward. But some people have spines that also curve from side to side. Unlike poor posture, these curves can't be corrected simply by learning to stand up straight. This condition of side-to-side spinal curves is called scoliosis. On an x-ray, the spine looks more like an "S" or a "C" than a straight line. Some of the bones in a scoliotic spine also may have rotated slightly, making the person's waist or shoulders appear uneven.

The screening will occur on the following dates:

Wednesday, October 18 - 12:45 (Boys)

Thursday, October 19 - 12:45 (Girls)

Checker Football – Cheryl Varnack from South Bend is interested in teachers and parents contacting her about a new strategy educational strategy board game called Checker Football. It was recently shown at the Deaf Fair at the Scottsdale Mall and generated a great deal of interest in the Deaf Community. The game is good for ages 8 through adult. Children, as young as 5 year old, play it. She would be happy to meet a group of teachers and/parents to demonstrate the game. It is available from Creative Teaching Store for \$24.99 and will soon be available at Meijers. Please contact Cheryl at 219-654-7328 to learn more about the game.

TODAY - Need a Flu Shot? – A Flu Vaccine Clinic at the Health Center will be provided by the "Coming of Age" organization on Monday, October 16 from 2:00 – 4:00 pm for students, staff and parents. Cost for the flu shot is \$10; the pneumonia shot is available for \$25. Please make checks payable to "Coming of Age". A consent form also needs to be completed. Call the Health Center for more information.

A teacher is one who makes herself or himself progressively unnecessary. – Thomas Carruthers

ISD Beats Kentucky Deaf 56 – 6

ISD was too strong and KSD too small in Saturday's Varsity Football Match at ISD. ISD was able to use a varied squad throughout the game. The ISD coaches and players had the opportunity score some TDs and PATs. Onye Davis had five carries for 111 yard and three touchdowns. Robert Haney carried the ball only 4 times for 113 yards and scored one touchdown. Flave DuPree carried the ball four times for 74 yards and two touchdowns. Kevin Webster had three carries for 33 yards and one touchdown. Andy Barker had two carries for 41 yards and one touchdown. Jonathan Reynolds had one carry for 25 yards and PAT. Jeff Stotts and Michael Johnson, each caught a pass. Enzo Hicks & Justin Reynolds each ran for 2 points.

The team continued to improve over the last few games. It was an opportunity for our young boys to score and build confidence for the future. Now, the team really needs to get back to business and work hard to prepare for South Decatur in our sectional game this Friday. It's going to be tough, but we can be an aggressive and mentally prepared team. We can take home a sectional victory!

ISD Volleyball Team Takes 2nd Place at Spike-Out II

Indiana Varsity participated in Spike Out II at MSSD last weekend and brought home a heart-breaking 2nd Place trophy. Melissa Buterbaugh and Cherish Lewis were named to the All-Tournament Team.

On Friday, ISD defeated Maryland (15 - 9, 15 - 5) and California at Fremont (15 - 6, 15 - 0) during the Spike-Out Round Robin. We played great against MSSD and won our first game, 15 - 9, but didn't prevail in the second game, 6 - 15. In the final game, we led by 6 points, 12 - 6, but couldn't make any points before they reached their 15th point, 12 - 15. We were seeded in second place for Saturday Play-offs. ISD played third seed, Maryland, and handled them pretty well, 15 - 8, 15 - 9, 15 - 4 to earn our third try against MSSD in the championship match. We played much better defending their best hitter and kept the game close, 10 - 15. We roared ahead and controlled the second game, 15 - 4. But, we allowed them to come back and whip us, 4 - 15 in third game. Aiming for the 5th game, we couldn't hold the momentum when we led at 6 - 1 early in the game. They played solidly at the end to win the Spike-out II, 9 - 15. Our record is 22 - 6, and our next match against Arlington at ISD on Tuesday, October 17.

Sports Update – The 7th/8th Grade Girls Volleyball team played their first tournament game at St. Richards last night. In their first match, the team played so smooth and beat them 15-4. Katie Lechner's blocks and her spikes intimidated the other team. Katie was definitely the player of the match. In the 2nd match, ISD made some errors, which cost us the game, 11-15. In the 3rd game, the girls struggled to stop their serves, but were choked by their spikes and our foolish mistakes. We lost 12-15. However, it was the best game the team ever played. The team wants to thank Jerry Thixton and parents who traveled to St. Richards to root for them last night. The team ended its season with a record of 4 -10. Even though the team we lost more games than it won, Coach Bippus was very impressed with the team's hard work and improved skills from beginning to the end of the season. It was a great season!

“Christmas Card Contest”

The Jr. NAD invites all students to participate in the 1st Annual Christmas Card Contest. It is open to Elementary, Middle and High Schools students, who want to design a picture of anything related to Christmas. One design from each department will be selected as a winner and will be printed onto Christmas cards to sell to families, friends, staff, and the community. The winner from each group will receive \$25.00. Selling Christmas cards will help raise money for Jr. NAD. You can design your card during your free time in the dorm or at home. Please participate; maybe you will win \$25.00.

Guidelines:

- Use white 8” x 10” or smaller paper.
- Design a picture related to Christmas or the winter holiday.
- Can use any colored pencils, markers, crayons, or paints.
- MUST have **black** outlines in the picture.
- Can use computer, but use your own artwork and print it out.
- Do not put your name on the front of the paper; put it on the back.
- Can make as many as you want.
- Do not copy pictures out of magazines, books or etc.

Deadline for this contest is **October 25, 2000.**

Please give all the designs to Cindy Pickering, Jr. NAD sponsor by October 25, 2000. There will be judges looking at the designs and picking the best one from each department. Winners will be announced and receive the \$25.00 prize.

We will start selling the cards in November before and during Thanksgiving break so that everyone can buy them. If you (a non-Jr. NAD members or staff) would like to help selling the cards, feel free to let us know. Your help is much appreciated. Enjoy this contest and hope to see many different designs from which to choose from the Elementary, Middle and High School Departments. - Jr.NAD Sponsors: Kathy Hill, Cindy Pickering & Keith Westhoelter

SNEAK PEEK TONIGHT FOR EDUCATORS AT THE INDIANAPOLIS ZOO - Join us on Tuesday, October 17, 2000, from 4 p.m. to 6 p.m.. for a private tour - just for Educators-of the Indianapolis Zoo's educational resources and a sneak peek "behind-the-scenes." Find out about the variety of education programs that you can

integrate into your classroom. We will highlight ZooMobile (how to bring animals and plants to you), Distance Learning, Workshops, Overnights, and Curriculum materials available. In addition to meeting some of our staff and animal residents, you can register to win door prizes such as ticket packages, posters, and artifact kit rentals. Light refreshments will be provided. This event is free for educators and you are welcome to bring colleagues. We regret, however, that family members may not attend. *Please RSVP by Noon on Tuesday, October 17th, so that we can insure that we have plenty of educator packets. Reserve your spot today by calling the Education Department at (317) 630-2040.*

Sports Update – The ISD High School Volleyball Team completed their regular season with a confident victory over Arlington, a local 4A school, 15 - 4 and 15 - 5. With only one blemish loss against Ritter, we finished our season 8 - 1 at home. Our trio of spikers, Sharer, Lewis, and Hossler, accounted for 3 kills giving Pia 7 assists. Seniors Melissa Buterbaugh and Valerie Sharer will be missed immensely as they played their last match at ISD. The Player of the Match is Brooke Aldrete with 4 serve aces and 10 of 11 serves with a percentage of 91%. The team's record is 23 wins and 6 losses. Their next stop is the Sectionals against Morton Memorial on Thursday, October 19 at 7:30 p.m.

Upcoming Activity Periods – Several Activity Periods have been scheduled for the remainder of the First Semester. They are:

October 18	High School Election Process Work
October 25	Book Fair Activity for both HS/MS in the Auditorium
November 1	Middle School Election Process Work
November 8	High School Election Process Work
November 22	JR. NAD Leadership Series for HS (Middle School Math Program 8-11 in the Auditorium)

“Christmas Card Contest”

The Jr. NAD invites all students to participate in the 1st Annual Christmas Card Contest. It is open to Elementary, Middle and High Schools students, who want to design a picture of anything related to Christmas. One design from each department will be selected as a winner and will be printed onto Christmas cards to sell to families, friends, staff, and the community. The winner from each group will receive \$25.00. Selling Christmas cards will help raise money for Jr. NAD. You can design your card during your free time in the dorm or at home. Please participate; maybe you will win \$25.00.

Guidelines:

- Use white 8” x 10” or smaller paper.
- Design a picture related to Christmas or the winter holiday.
- Can use any colored pencils, markers, crayons, or paints.
- MUST have **black** outlines in the picture.
- Can use computer, but use your own artwork and print it out.
- Do not put your name on the front of the paper; put it on the back.
- Can make as many as you want.
- Do not copy pictures out of magazines, books or etc.

Deadline for this contest is **October 25, 2000.**

Please give all the designs to Cindy Pickering, Jr. NAD sponsor by October 25, 2000. There will be judges looking at the designs and picking the best one from each department. Winners will be announced and receive the \$25.00 prize.

We will start selling the cards in November before and during Thanksgiving break so that everyone can buy them. If you (a non - Jr. NAD members or staff) would like to help selling the cards, feel free to let us know. Your help is much appreciated. Enjoy this contest and hope to see many different designs from which to choose from the Elementary, Middle and High School Departments. - Jr. NAD Sponsors: Kathy Hill, Cindy Pickering & Keith Westhoelter

Interpreting News - Brenda Arnold has resigned from her position as secretary in the Interpreting Services Office. We appreciate all the contributions and hard work that Brenda has provided to ISD. We will miss her presence and her sense of humor. If you see her, please wish her well with her new plans. Amber Johnson is replacing Brenda temporarily. Amber is currently enrolled in the Vincennes University American Sign Language Program and is looking forward to being a part of this community. Please welcome her to ISD. You may contact her by e-mail (ajohnson@isfd.state.in.us), TTY or Voice (Ext. 419). At this time, due to technical difficulties, no voice messages can be retrieved from her phone.

PTCO Needs Your Donations for a Holiday Sale - Indiana Deaf School's PTCO (Parent-Teacher-Counselor Organization) is collecting new or gently used children's items for a Get Ready for the Holidays Sale. Proceeds will be given to the Preschool/Elementary Playground Fund. PTCO is accepting donations of new or gently used children's:

Clothes Toys Books Collectibles Infant items

Drop off locations are in the Alumni Hall, outside Room #119 (PTCO and Outreach Office) and Preschool Building, outside Room #109 (Preschool Secretary's Office). Donations will be accepted beginning October 16th through ending November 15. Donations will be picked up daily. The Holiday Sale is tentatively scheduled for Saturday, November 18th. More information about the sale will be advertised in the near future. Our playground goal is \$150,000. Currently, PTCO has \$283 in the Playground Fund. This is not a lot of money compared to our goal, but it is a beginning. Thanks to all who have contributed time and/or money to this much-needed fund? Help PTCO build a safe and accessible playground. Please bring donations and help make the Holiday Sale a huge success. ISD Jerseys for Sale – The Class of 2001 is selling ISD Jerseys that say Indiana Deaf School on the front with the ISD logo. On the back you can have a name printed with a number such as your class year. The cost varies from \$20 for a plain jersey to \$38 for a XXXL. Colors are black or orange. See a Senior or Beatrice Pfaff to purchase the jerseys. Deadline for ordering is October with delivering on November 30.

ISD Neck Straps for Sale – The Class of 2001 is selling Indiana Deaf School neck straps for \$8.00. These are great for keeping your keys always accessible. The straps are available through October by contacting a Senior or Jamie Carr.

Holiday Wreaths for Sale – It's that time of year to start thinking about holiday traditions! The class of 2001 members are selling wreaths as part of their fundraising efforts. The wreaths will arrive at ISD on November 30 and delivered to you by class members. The deadline for purchasing wreaths is November 8.

New ISD Product Available - *Attention, Students, Staff, Parents, ISD Supporters, and Fans in General!* If you want to show your school spirit by proudly wearing the "Orange and Black," then you will want to look at and try on the two varieties of nylon-shell pullover v-neck sweaters in the Principal's Office. The logo "INDIANA" is on the front in either block or script letters. The thinner material (orange sample) is available in either orange or black and costs \$40.00. The thicker material (black sample) is available in black only and costs \$45.00. There is an additional cost for XXL (\$2.00) and XXXL (\$4.00). The first order will be placed in early November so that delivery for basketball, wrestling, and swimming seasons, Christmas gifts, and the CSSD Tournament should be guaranteed. Contact the principal's Office to view or order these sweaters. Go, ISD!!

Friendly Reminder – Staff should use their gate cards for entering and exiting the front gate. The purpose of the system is to monitor campus traffic especially after "peak hours." Only one vehicle can come or go through the gate at a time.

Opportunities

Distance Learning News from the Challenger Learning Center at Brownsburg Middle School – A variety of events are available at the Challenger Learning Center through Distance Learning. They are for middle school and elementary students. The events include:

Alpha Base One – Students at the CLC team up with your class for help with the mission. Your students will do hands-on experiments and communicate with mission control at CLC.

Comet Quest – Glimpse into the world of comets. Learn about recent technological advances and NASA's Stardust Mission. Participate in an electromagnetic spectrum demonstration.

Satellites: Are We Junking Up Space? – An interactive exploratory about satellites. Students discuss types of satellites, design, benefits of satellites, and how they affect our everyday lives.

Living and Working in Space – Examine the life of an astronaut! How do astronauts perform daily activities in micro-gravity conditions? (Target audience is aged 3 – 5.)

Virtual Tour – What is the Challenger Learning Center? Take a virtual walk through our on-site Mission Control and Spacecraft.

Science Teachers – Eli Lilly is sponsoring a distance learning event involving a panel of Indiana State Science Fair officials on Wednesday, November 8th from 2:45 to 3:15 pm. It will include general information about science fair requirements and deadlines as well as practical tips for hosting your local fair. If you are interested in viewing this event, please contact Dan Stutler at extension 414 or at djstutler@isfd.state.in.us.

A teacher affects eternity; he can never tell where his influence stops. – Henry Brooks Adams

Your Integrity

The story is told of a young man who was invited to preach at a church in Nashville, Tennessee. On an impulse he used as his theme of his message, "Thou shalt not steal."

The next morning he stepped onto a city bus and handed the driver a dollar bill. The driver handed him his change, and he walked to the rear of the bus to stand, since there were no seats available. Once he had steadied himself, he counted his change. There was a dime too much. His first thought was, "*The bus company will never miss this dime.*"

By now the bus had stopped again and the narrow aisle between him and the driver was one long line of people. Then it hit him, he could not keep money that did not belong to him. A half dozen "excuse me's" and several scowling looks later, he had made his way to the front and said to the driver, "You gave me too much change." The driver replied, "Yes, a dime too much. I gave it to you on purpose. You see, I heard your sermon yesterday, and I watched in my mirror as you counted your change. Had you kept the dime I would never again have had any confidence in preaching."

Imagine the outcome if this young man had decided the pleasure of his fellow passengers wasn't worth a dime's worth of honesty.

Our influence is like a shadow; it may fall even where we think we've never been. We also need to realize there are no "time-outs" or "vacations" we can take in keeping our integrity or being true to our conscience. Stay on track with what you know is right!

New ISD Product Available - Attention, Students, Staff, Parents, ISD Supporters, and Fans in General! **The first order will be sent to the manufacturer on Friday, November 3.** If you want to show your school spirit by proudly wearing the "Orange and Black," then you will want to look at and try on the two varieties of nylon-shell pullover v-neck sweaters in the Principal's Office. The logo "INDIANA" is on the front in either block or script letters. The thinner material (orange sample) is available in either orange or black and costs \$40.00. The thicker

material (black sample) is available in black only and costs \$45.00. There is an additional cost for XXL (\$2.00) and XXXL (\$4.00). Both sweaters have elastic color coordinated collars, arm cuffs, and waistbands. They both also have side pockets. There is approximately a two-week period from the time of order to delivery. The first order will be placed in early November so that delivery for basketball, wrestling, and swimming seasons, Christmas gifts, and the CSSD Tournament should be guaranteed. Contact the Principal's Office to view or order these sweaters. Make your checks payable to ISD or the Indiana School for the Deaf. Go, ISD!!

Free Mac Giveaway! – In order to conserve floor space and to preserve our school wide technology strategy (network and computers) our old Macs are no longer supported by ISD. So, because I feel they are still good and usable even though they are old, we decided to give them away!

We have about 20-25 Macs of various age and brands/models (e.g., PowerMac, Umax, SuperMac, etc.) and 20-25 Mac printers. All Mac related equipment will be moved into the Technology Center for you to browse and take away.

Any of you are welcome to visit the Technology Center between 3:00 – 5:00 on Thursday, October 26th and Friday, October 27th. These two days are our professional days. These days are the **ONLY** time you can take the equipment.

The following rules must be adhered:

1. One system per person (a system includes a Mac, a printer, cables, a keyboard, a mouse, etc.). If there is still some equipment left on Friday after everyone gets their chance at them, you may take a second system. Be prepared for the possibility that certain parts for a system are missing (e.g., missing mouse or cable, etc.).
2. **No Macs can be brought back into the classrooms.** There are no exceptions to this. You must take them straight home from Technology Center.
3. You cannot ask ISD in any way to support your Mac system. The equipment you take with you are considered "as is" and you are on your own.
4. You cannot bring back any equipment for exchange. This is a one-time event, and you need to use your judgment when taking systems. If you decide you do not want the system, you dispose of them yourself.
5. ISD will not provide any software besides what are on the table, if any. If your system needs certain software to run, you will need to seek for it elsewhere.
6. ISD will not provide any printer cartridges besides what are on the table. If your printer needs cartridges you will need to purchase them yourself.
7. You will sign a form that shows what equipment you are removing, and that you understand the rules described above.

We hope you will enjoy those Macs and give them good use.

CSSD Meeting – There will be a CSSD meeting at Caskey Building on Tuesday, October 24th at 3:30 p.m. Please attend the meeting.

Friendly Reminder – Staff should use their gate cards for entering and exiting the front gate. The purpose of the system is to monitor campus traffic especially after "peak hours." Only one vehicle can come or go through the gate at a time.

Susan Hocker – Susan Hocker experienced successful surgery Wednesday evening (right hip replacement) and is doing fine. She is at Methodist Hospital, Room 7027. She will be at her mother's house for a few weeks starting next Monday. She will face left hip replacement in 4-6 weeks. Please do not e-mail to her. Her address for cards is: 1417 Lansdowne, Indianapolis, IN 46234.

NASA Dignitaries Visit ISD

ISD is honored to have two dignitaries from NASA will be on campus today visiting Teresa Huckleberry's High School Science classes. Bonnie McClain, Outreach Director for NASA Life Sciences, has visited ISD in the past. However, it is the first visit for Dr. Joan Vernikos, Outreach Director for the NASA Centers. Dr. Vernikos oversees outreach programming from the Johnson Space Center, the Marshall Space Flight Center, the Kennedy Space Center, the Goddard Space Center, the Glenn research Center, the Ames Research Center and the Jet Propulsion Lab. The astronauts report the results of the on-orbit life science experiments directly to her. Dr. Vernikos has been instrumental in providing access for students and the public to NASA programs. She will be retiring soon and will be sorely missed.

Dr. Vernikos has set the wheels in motion for our students; next NASA trip in June 2002 to the Ames research Center in California. She is making arrangements for our students to visit the laboratories and work with NASA scientists at the research center. The students will again have the opportunity to use scuba equipment to work underwater on microgravity experiments. The students will also visit the Kelp Beds off the coast of California.

Please welcome Ms. McCain and Dr. Vernikos in their visit to ISD this afternoon.

More Than 40 Grandparents at Grandparent's Day

Last Thursday, more than forty grandparents participated at ISD in this year's Grandparent's Day. The farthest grandparent came from New Mexico. Some of the activities included talking about how society has changed its view of Deaf people over the years. Many of the grandparents toured ISD and saw our BiBi philosophy in action. Other grandparents attended the International Fair with their grandchildren in the Elementary and Middle School Departments. Everyone enjoyed their experiences immensely. One grandparent enjoyed it so much at she returned on Friday to go with the students to Conner Prairie

FIREBALLS AT WORK

FIREBALLS to all the staff who helped make Grandparent's Day a huge success: including John Polstra, PTCO Board, Brenda Tress-Mowl, Molly Peters, and Lori Dille, from Outreach, Bren Marshall, from the Interpreting Staff and all the staff who welcomed the grandparents into their departments!!!! We had more than 35 grandparents attend this year!!!

FIREBALLS to Mike Jackson and Laura Gaalema, who gave up their precious family time on Friday night to be with our three ISD students. The group participated in the Buddy System Project's Camp Out from Friday morning to Saturday afternoon at the Indianapolis Zoo. The students and staff Worked on the study of nature using their computer technology tools.

Sports Update – ISD 18

South Decatur 39 Score by Quarter South Decatur 8 18 13 0 ISD 6 0 0 12

ISD played hard in the Football Sectionals, showing "Class & Pride" fighting to the end. South Decatur controlled the clock offensively, kept the ball moving and pounding our defensive unit most of the night. We stopped them at times and offensively we did move and score when we got the opportunity. Turnovers (fumbles & interceptions) hurt us, too. Robert Haney had another hot night. He rushed 21 for 211 yards and 2 touchdowns. He also racked up a total of 34 tackles (22 solos and 12 assists). Onye Davis rushed some and got a TD. Robert Haney broke another school individual record for the season. He rushed a total of 1,600 yards breaking A Andrew Metz's 1,498 yards. Robert has about 1,675 for a year playing only 8 games. Total tackles for the year for Robert Haney: 85 solo and 52 assists with 4 QB sacks. His total of tackles was 137. It may be a record for ISD. Again, all this will be double-checked to be confirmed officially. He is an extraordinary, superb, outstanding, and phenomenal athlete. He should be recognized nationally and statewide for honors without question.

What a Saturday!!!! After advancing to semi-finals by a forfeit against Morton Memorial, we faced Lapel HS and aimed to redeem our bad loss in basketball sectionals last year. We started out playing well and kept the game in control with balanced kills from Hossler (5), Lewis (4) and Sharer (4). We won the first game, 15 - 11. We felt like we didn't exist during the second game as we made too many errors, 3 - 15. I told the girls "You Decide" whether to end the season this morning or advance into the finals tonight. It was a battle for each possession and point, and they got ahead of us 6 - 11. Our girls dug in and played hard to pull even at 12. We won the game, 15 - 12. This is the first time in ISD history that ISD played for sectional championship in any sport. In the final game, Blue River Valley, which was ranked #8 in state for 1A volleyball, didn't have to play hard as we were tense and played too carefully. The first game ended 6 - 15. I urged the girls to play their heart out as we can compete with them. We started flat-footed as they jumped to a 0 - 7 lead. Valerie and Cherish began the momentum change with their power kills, and we started to play better volleyball. We caught up with them at 9 points and continued playing better. We got on top at 15 - 14 and almost got the game point to even the series at 1 - 1. They got 3 straight points at the end to stop our rally, 15 - 17. We received a game ball for 2nd place finish at Sectionals. "Girls, I STRONGLY believe and know that you are "true National Champions in my eyes and heart!!" Thanks for making history at ISD once again.... - Coach Bippus

HS Basketball Tryouts - There will be a meeting today after school in Keith Westhoelter's classroom (Room #107, Alumni Hall) at 3:15 pm for those students who want to try out for the HS Boys Basketball Team.

Students & Staff – You are invited to Middle School, Room 234 to check out the Eighth Graders science slide show. It will be on display in the hallway throughout this week.

Volunteers - This year, 17 Ball State Participants are volunteering at I.S.D. They are volunteering in the Library, the Stellar Cellar, in classrooms, and in the ASL lab to name just a few places. Some participants also help the little preschoolers get ready for bed, a duty they really enjoy. For the month of October, the participants volunteered a total of 243.33 hours and averaged 16.02 hours individually! This is a great accomplishment! BSU participants, thank you for all of your service and help. We appreciate you!

News from PIP - The Parent Infant Program will host a family from Shelbyville who will be visiting the Preschool Department. They will visit all of the classes, join the three-year-old class for activities and stay for lunch.

Frightful Sight - Come to Room 129 in Alumni Hall for a frightful sight and receive a sweet treat from Paula Kay, Judy Cass's secretary.

Experience is a good school, but the fees are high. – Heinrich Heine

English Is A Crazy Language!

Being, in general, a logical thinker (despite being a basketball coach....), I always struggled to earn B's in English during high school and college. Let's face it, English is a crazy language, and it didn't always make sense! There is no egg in eggplant or ham in hamburger; neither apple nor pine in pineapple. English muffins were not invented in England or French fries in France. Sweetmeats are candies, while sweetbreads, which aren't sweet, are meat.

We take English for granted. But if we explore its paradoxes, we find that quicksand can work slowly, boxing rings are square, and a guinea pig is neither from Guinea nor is it a pig. And why is it that writers write, but fingers don't fing, grocers don't groce, and hammers don't ham? If the plural of tooth is teeth, why isn't the plural of booth beeth? One goose, 2 geese. So, one moose, 2 meese? One index, two indices? Is cheese the plural of choose? If teachers taught, why didn't preachers praught? If a vegetarian eats vegetables, what does a humanitarian eat?

In what language do people recite at a play, and play at a recital? Ship by truck and send cargo by ship? Have noses that run and feet that smell? Park on driveways and drive on parkways? How can a slim chance and a fat chance be the same, while a wise man and a wise guy are opposites? When a house burns up, it burns down. You fill in a form by filling it out and an alarm clock goes off by going on.

When the stars are out, they are visible, but when the lights are out, they are invisible. And why, when I wind up my watch, I start it, but when I wind up this essay, I end it? Now I know why I struggled in English and chose Business Education as my teaching area. The silly language doesn't quite know whether it's coming or going. Have a great week! – Contributed by Pete Smith, Patrick Gately's stepfather and teacher at Carmel HS (Patrick is an ISD student in High School.)

Sports Update - Last year, Robert Haney played football for the first time and rushed for 630 yards. Transferring from a mainstream public school, he did play freshmen sports. As a sophomore at ISD, he played 8 football games. This is only his second year playing varsity football, but in only eight games he rushed 165 times for 1775 yards and 20 touchdowns. He had 141 tackles consisting of 89 solo tackles, 52 assists and 4 QB sacks. Other coaches and teams have really been impressed with his performance. Please share his statistics with your friends so he can gain the recognition that he so richly deserves. – Coach Reynolds

Students & Staff – You are invited to Middle School, Room 234 to check out the Eighth Graders science slide show. It will be on display in the hallway throughout this week.

Frightful Sight – Come to Room 129 in Alumni Hall for a frightful sight and receive a sweet treat from Paula Kay, Judy Cass's secretary.

Library News – Linda Canty recently received \$4,000 from the Indianapolis Foundation for the purpose of adding to our school library's collection.

ASL Classes Sponsored by IAD – I receive numerous phone calls regarding ASL classes that have been forwarded to me from on campus. I am not the person who is responsible for these classes. If you receive a call and someone wants information, they are to be directed to Jerry Thixton extension 216. Please remember to give the Relay Indiana phone number to them. He is responsible for the IAD's ASL classes that are offered on campus throughout the year. Thank you.

Both sweaters have elastic color coordinated collars, arm cuffs, and waist bands. They both also have side pockets. There is approximately a two-week period from the time of order to delivery. The first order will be placed in early November so that delivery for basketball, wrestling, and swimming seasons, Christmas gifts, and the CSSD Tournament should be guaranteed. Contact the principal's Office to view or order these sweaters. Go, ISD!!

"Holiday Card Contest" -The Jr. NAD invites all students to participate in the 1st Annual Holiday Card Contest. It is open to Elementary, Middle and High Schools students, who want to design a picture of anything related to the winter holidays. One design from each department will be selected as a winner and will be printed onto holiday cards to sell to families, friends, staff, and the community. The winner from each group will receive \$25.00. Selling holiday cards will help raise money for Jr. NAD. You can design your card during your free time in the dorm or at home. Please participate; maybe you will win \$25.00.

Guidelines:

- Use white 8" x 10" or smaller paper.
- Design a picture related to winter holidays.

- Can use any colored pencils, markers, crayons, or paints.
- MUST have **black** outlines in the picture.
- Can use computer, but use your own artwork and print it out.
- Do not put your name on the front of the paper; put it on the back.
- Can make as many as you want.
- Do not copy pictures out of magazines, books or etc.

Deadline for this contest is **October 25, 2000.**

Please give all the designs to Cindy Pickering, Jr. NAD sponsor by October 25, 2000. There will be judges looking at the designs and picking the best one from each department. Winners will be announced and receive the \$25.00 prize.

We will start selling the cards in November before and during Thanksgiving break so that everyone can buy them. If you (a non- Jr. NAD members or staff) would like to help selling the cards, feel free to let us know. Your help is much appreciated. Enjoy this contest and hope to see many different designs from which to choose from the Elementary, Middle and High School Departments. - Jr. NAD Sponsors: Kathy Hill, Cindy Pickering & Keith Westhoelter

PTCO Needs Your Donations for a Holiday Sale - Indiana Deaf School's PTCO (Parent-Teacher-Counselor Organization) is collecting new or gently used children's items for a Get Ready for the Holidays Sale. Proceeds will be given to the Preschool/Elementary Playground Fund. PTCO is accepting donations of new or gently used children's:

Clothes Toys Books Collectibles Infant items

Drop off locations are in the Alumni Hall, outside Room #119 (PTCO and Outreach Office) and Preschool Building, outside Room #109 (Preschool Secretary's Office). Donations will be accepted beginning October 16th through ending November 15. Donations will be picked up daily. The Holiday Sale is tentatively scheduled for Saturday, November 18th. More information about the sale will be advertised in the near future. Our playground goal is \$150,000. Currently, PTCO has \$283 in the Playground Fund. This is not a lot of money compared to our goal, but it is a beginning. Thanks to all who have contributed time and/or money to this much-needed fund. Help PTCO build a safe and accessible playground. Please bring donations and help make the Holiday Sale a huge success. For more information, contact Barb Gantt bagantt@mindsoup.com or Jodee Crace jscrace@aol.com.

Pay IT Forward

His name was Fleming, and he was a poor Scottish farmer. One day, while trying to make a living for his family, he heard a cry for help coming from a nearby bog. He dropped his tools and ran to the bog. There, mired to his waist in black muck, was a terrified boy, screaming and struggling to free himself. Farmer Fleming saved the lad from what could have been a slow and terrifying death. The next day, a fancy carriage pulled up to the Scotsman's sparse surroundings. An elegantly dressed nobleman stepped out and introduced himself as the father of the boy Farmer Fleming had saved. "I want to repay you," said the nobleman "You saved my son's life." "No, I can't accept payment for what I did," the Scottish farmer replied, waving off the offer. At that moment, the farmer's own son came to the door of the family hovel. "Is that your son?" the nobleman asked. "Yes," the farmer replied proudly. "I'll make you a deal," said the nobleman. "Let me take him and give him a good education. If the lad is anything like his father, he'll grow to a man you can be proud of."

And that he did. In time, Farmer Fleming's son graduated from St. Mary's Hospital Medical School in London, and went on to become known throughout the world as the noted Sir Alexander Fleming, the discoverer of Penicillin. Years afterward, the nobleman's son was stricken with pneumonia. What saved him? Penicillin. The nobleman's name? - Randolph Churchill. His son's name? - Sir Winston Churchill.

Someone once said, "What goes around comes around. Work like you don't need the money. Love like you've never been hurt. Dance like nobody's watching." It's National Friendship Week. Send this to people you consider a friend and brighten someone's day. Nothing will happen if you decide not to pass it along. The only thing that will happen, if you do pass it on is that someone might smile.

Mandatory Meeting – There is a mandatory coaches meeting for winter sports today at 3:30 in the Caskey classrooms.

Educational Staff - Educational staff will be filling out their attendance forms this week since it is the end of the pay period. Educational staff has the option on Friday, October 27, 2000, to work in their classrooms or use any accumulated time they may have. Teacher aides should check with their Supervising Teachers for Friday's plans. Since Friday is not a "student contact day," the accumulated time (vacation, personal leave, or comp. time) that teachers choose to use will not count toward the set yearly expected standard of attendance (no more than three accumulated days and three personal days - total of six days- used during a school year). See your Supervising Teacher with any questions or comments. Thank you.

October 31 Halloween Holiday Observance Information – Since the Administrative Team has not yet met with the State's legal counsel, this will be the policy until further notice. Students and staff should not dress in costume on Tuesday, October 31 unless it is a curriculum-related activity. In addition, no candy should be distributed to students during the school day in any holiday observance. Thank you for your cooperation. – Bob Kovatch

Please Help - A former ISD student, Asmani Aluta, is seeking a host family for his sister, Jeannette, so she can come to Indiana and attend ISD. Jeannette is currently living in Burundi, Africa. She is eighteen years of age and wants to complete her high school education at ISD. Please contact Pam Burchett, Social Services Coordinator, at 920-6275 if you are interested. Thanks!

1999-2000 Yearbook - Jostens recently informed the Yearbook staff that the 1999-2000 yearbook will arrive at ISD during the week of November 11.

New Product – The Windows Gift Shop has black pens with Indiana in orange available for \$1.00. They are great as a stocking stuffer of gift idea.

CSSD Volunteers Needed – The CSSD Cheerleading Competition needs helpers for the competition. Helpers are needed to work as timers, scorekeepers, tallying, and setup/decorations. Please contact Mary Kovatch (extension 334) or Sharon Baker (extension 622) to volunteer.

Free Mac Giveaway! – In order to conserve floor space and to preserve our school wide technology strategy (network and computers) our old Macs are no longer supported by ISD. So, because I feel they are still good and usable even though they are old, we decided to give them away! We have about 20-25 Macs of various age and brands/models (e.g., PowerMac, Umax, SuperMac, etc.) and 20-25 Mac printers. All Mac related equipment will be moved into the Technology Center for you to browse and take away. Any of you are welcome to visit the Technology Center between 3:00 – 5:00 on Thursday, October 26th and Friday, October 27th. These two days are our professional days. These days are the **ONLY** time you can take the equipment. The following rules must be adhered:

1. One system per person (a system includes a Mac, a printer, cables, a keyboard, a mouse, etc.). If there is still some equipment left on Friday after everyone gets their chance at them, you may take a second system. Be prepared for the possibility that certain parts for a system are missing (e.g., missing mouse or cable, etc.).
2. **No Macs can be brought back into the classrooms.** There are no exceptions to this. You must take them straight home from Technology Center.
3. You cannot ask ISD in any way to support your Mac system. The equipment you take with you is considered “as is” and you are on your own.
4. You cannot bring back any equipment for exchange. This is a one-time event, and you need to use your judgment when taking systems. If you decide you do not want the system, you dispose of them yourself.
5. ISD will not provide any software besides what are on the table, if any. If your system needs certain software to run, you will need to seek for it elsewhere.
6. ISD will not provide any printer cartridges besides what are on the table. If your printer needs cartridges you will need to purchase them yourself.
7. You will sign a form that shows what equipment you are removing, and that you understand the rules described above.
8. We hope you will enjoy those Macs and give them good use.

Upcoming Activity Periods – Several Activity Periods have been scheduled for the remainder of the First Semester. They are:

November 1	Middle School Election Process Work
November 8	High School Election Process Work
November 22	JR. NAD Leadership Series for HS (Middle School Math Program 8-11 in the Auditorium)

ISD Jerseys for Sale – The Class of 2001 is selling ISD Jerseys that say Indiana Deaf School on the front with the ISD logo. On the back you can have a name printed with a number such as your class year. The cost varies from \$20 for a plain jersey to \$38 for a XXXL. Colors are black or orange. See a Senior or Beatrice Pfaff to purchase the jerseys. Deadline for ordering is October with delivering on November 30.

ISD Neck Straps for Sale – The Class of 2001 is selling Indiana Deaf School neck straps for \$8.00. These are great for keeping your keys always accessible. The straps are available through October by contacting a Senior or Jamie Carr.

Holiday Wreaths for Sale – It's that time of year to start thinking about holiday traditions! The class of 2001 members are selling wreaths as part of their fundraising efforts. The wreaths will arrive at ISD on November 30 and delivered to you by class members. The deadline for purchasing wreaths is November 8.

New ISD Product Available - Attention, Students, Staff, Parents, ISD Supporters, and Fans in General! If you want to show your school spirit by proudly wearing the "Orange and Black," then you will want to look at and try on the two varieties of nylon-shell pullover v-neck sweaters in the Principal's Office. The logo "INDIANA" is on the front in either block or script letters. The thinner material (orange sample) is available in either orange or black and costs \$40.00. The thicker material (black sample) is available in black only and costs \$45.00. There is an additional cost for XXL (\$2.00) and XXXL (\$4.00). Both sweaters have elastic color coordinated collars, arm cuffs, and waist bands. They both also have side pockets. There is approximately a two-week period from the time of order to delivery. The first order will be placed in early November so that delivery for basketball, wrestling, and swimming seasons, Christmas gifts, and the CSSD Tournament should be guaranteed. Contact the principal's Office to view or order these sweaters. Go, ISD!!

Gallaudet Reading Workshop - A Big Success!!!!

Last Thursday's reading workshop was co-sponsored by ISD, PTCO and Gallaudet University. The focus was a hands-on practice of the fifteen principles of Reading to Deaf Children. Each participant received a packet materials and video for attending. Thirty-one people were involved in the workshop. A big thanks goes to Glenda Zmijewski and Diane Hazel Jones for coordinating the project, which began almost one year ago! It could not have been successful without the help of Darin Turner, Molly Peters, Brenda Tress Mowl, Shannon Stafford, Lori Dille and Wanda Kirby. Most of the Preschool staff participated along with two Residence Hall advisors, four elementary parents, eight parents who are also employees of ISD, two PIP parents, one teacher from Plymouth, Indiana and one interpreter from Plymouth. Thanks also go to PTCO for supplying all the refreshments and the catered lunch!

Some comments and quotations from parents and staff included:

1. "My head is spinning with ideas!" (PIP mother)
2. "I think every parent should be required to take this workshop." (Elementary Dad)
3. "I want a Part 2 workshop with the same presenters." (Elementary mom)
4. "I think every teacher should be required to take this workshop. (Dad/employee)

October 31 Halloween Holiday Observance Information – Since the Administrative Team has not yet met with the State's legal counsel, this will be the policy until further notice. Students and staff should not dress in costume on Tuesday, October 31 unless it is a curriculum-related activity. In addition, no candy should be distributed to students during the school day in any holiday observance. Thank you for your cooperation. – Bob Kovatch

Parent Resource Training – INSource will train 8 ISD parents to become Regional Parent Resources for other Deaf and Hard of Hearing families throughout Indiana. If you are interested in participating in future trainings, please contact Diane Hazel Jones at 924-8418 or 1-800-722-6166

Annual Freedom Essay Contest – The Optimist Club of Indianapolis, in conjunction with Optimist International, is proud to announce its annual Freedom Essay Contest for 2000-2001. The theme is "Are We Losing Our Freedom?" The contest is open to any sophomore, junior or senior. The winner will receive a college scholarship for \$5,000 and a trip to Reno, Nevada. The deadline for entry is January 15, 2001. Please see Jerry Thixton for an application to enter the contest.

Hallway TV Monitors - We are pleased to announce that we now have four additional TVs connected to the ISD TV Studio. In addition to the existing 7 TVs in the Alumni Hall, 4 new TVs are now operational in Brown Cafeteria. You may also notice that the TV Studio has increased programming and is getting better and better everyday. There are plans for expanding the programming even more in the near future. We will start working on adding more buildings to the TV system. We have a big challenge due to the proximity of these buildings since they are further and further away from the TV studio. I would like to reinstate these words once more...PLEASE do not touch these TVs. Do not turn them off AT ANY TIME. Leave them run 24 hours 7 days a week. Please do not change channels or anything. They should always be running programs from the TV Studio at all times. If you see them turned off or are on wrong channel, please turn them on and/or set them to Channel 3. We have observed some abuse of them by students, so we need your help in making sure these TVs are operational. Your cooperation is greatly appreciated! – Jay Krieger

Volunteers - This year, 17 Ball State Participants are volunteering at I.S.D. They are volunteering in the Library, the Stellar Cellar, in classrooms, and in the ASL lab to name just a few places. Some participants also help the little preschoolers get ready for bed, a duty they really enjoy. For the month of October, the participants volunteered a total of 243.33 hours and averaged 16.02 hours individually! This is a great accomplishment! BSU participants, thank you for all of your service and help. We appreciate you!

Please Help - A former ISD student, Asmani Aluta, is seeking a host family for his sister, Jeannette, so she can come to Indiana and attend ISD. Jeannette is currently living in Burundi, Africa. She is eighteen years of age and wants to complete her high school education at ISD. Please contact Pam Burchett, Social Services Coordinator, at 920-6275 if you are interested. Thanks!

1999-2000 Yearbook - Jostens recently informed the Yearbook staff that the 1999-2000 yearbook will arrive at ISD during the week of November 11.

ISD Jerseys for Sale – The Class of 2001 is selling ISD Jerseys that say Indiana Deaf School on the front with the ISD logo. On the back you can have a name printed with a number such as your class year. The cost varies from \$20 for a plain jersey to \$38 for a XXXL. Colors are black or orange. See a Senior or Beatrice Pfaff to purchase the jerseys. Deadline for ordering is October 20 with delivering on November 30. *The price for the jerseys will increase with the next order. Hurry and save your money! Order now!!!*

ISD Neck Straps for Sale – The Class of 2001 is selling Indiana Deaf School neck straps for \$8.00. These are great for keeping your keys always accessible. The straps are available through October by contacting a Senior or Jamie Carr. Possible uses for the straps are ISD IDs or your keys. Buy several and support the Class of 2001.

Holiday Wreaths – The Class of 2001 is selling holiday wreaths. The wreaths will arrive at ISD on November 30. The deadline for your order is November 8. You may also send a wreath directly to a friend for a small fee. These wreaths will be shipped on December 10. The wreaths cost:

- 26" Balsam Wreath \$18
- Balsam Gift Pack (includes wreath & brass hanger) \$30
- 34" Christmas tree Wreath \$30
- 36" Mailbox Swag \$18
- 24" Balsam Swag \$14
- 20 ft Balsam Garland \$25
- 13 3/4" Solid Brass Hanger \$5

See a Class of 2001 students (senior) or a class sponsor to order. The sponsors are Loretta Hammel, James Carr and Beatrice Pfaff.

Interpreters – On Thursday, November 16th, Interpreting Services department has a great deal of requests for interpreters for the Mother's Day Luncheon. Due to this, we would like to ask that you use discretion when requesting interpreters for that day. Please try to avoid requesting interpreters on this day. Thank you for your consideration!

Professional Development Opportunities through Distance Learning

Writing to Learn; Developing Literacy Across the 2-5 Curriculum – Tuesday, March 20a at Clowes Hall

Behind the Scenes: From Director to Critic – The Inside Story – Wednesday, April 26 at Clowes Hall

Attend the above workshops and you and your students go to the matinee of Johnny Appleseed on April 26, 2001 for FREE.

The Central Indiana Educational Service Center and Indiana University are offering a series of professional development opportunities entitled Cybersnax through distance learning. This means that staff can take the class for IU credit or non-credit at ISD in the Distance Learning Classrooms (Rooms 7206 and 7212 of the Vocational Building). The classes are free unless the staff member wants to earn college credit. In that case, the course costs \$168.60 per credit hour. Handouts can be downloaded from [Http://ciesc.k12.in.us/cybersnax](http://ciesc.k12.in.us/cybersnax). Registration for IU credit also occurs at this website. The courses are:

- Secondary Math Strategies 3:30 – 4:10 (1 credit) November 7, 14 & 21
- Elementary Reading & Writing 4:00 – 4:40 (2 credits) November 1, 8, 15, 20 & 29
- Elementary Science Methods 4:00 – 4:40 (2 credits) November 2, 6, 9, 16, 28 & 30
- National Board Certification 4:00 – 4:40 (No credit) January 9
- Will You Be Financially Fit When You Hit the Rule of 85? 4:00 – 4:40 (No credit) January 10 & 11
- Wellness for Educators 4:00 – 4:40 (2 credits) January 16, February 6, 20, March 6 & 20
- Secondary Science Methods 3:30 – 4:10 (3 credits) January 17, 24, 31, February 14, 21, 28, March 8 & 15
- Secondary Reading & Writing 3:30 – 4:10 (2 credits) January 18, 25, February 8, 15 & 22
- Differentiated Instruction 4:00 – 4:40 (2 credits) January 23, February 7, March 7, 14 & 27

Announcements

HS Students – All Candidates for Election will be in Brown Cafeteria for breakfast tomorrow, November 1.

Hallway TV Monitors - We are pleased to announce that we now have four additional TVs connected to the ISD TV Studio. In addition to the existing 7 TVs in the Alumni Hall, 4 new TVs are now operational in Brown Cafeteria. You may also notice that the TV Studio has increased programming and is getting better and better everyday. There are plans for expanding the programming even more in the near future. We will start working on adding more buildings to the TV system. We have a big challenge due to the proximity of these buildings since they are further and further away from the TV studio. I would like to reinstate these words once more...PLEASE do not touch these TVs. Do not turn them off AT ANY TIME. Leave them run 24 hours 7 days a week. Please do not change channels or anything. They should always be running programs from the TV Studio at all times. If you see them turned off or are on wrong channel, please turn them on and/or set them to Channel 3. We have observed some abuse of them by students, so we need your help in making sure these TVs are operational. Your cooperation is greatly appreciated! – Jay Krieger

October 31 Halloween Holiday Observance Information – Since the Administrative Team has not yet met with the State's legal counsel, this will be the policy until further notice. Students and staff should not dress in costume on Tuesday, October 31 unless it is a curriculum-related activity. In addition, no candy should be distributed to students during the school day in any holiday observance. Thank you for your cooperation. – Bob Kovatch

Parent Resource Training – INSource will train 8 ISD parents to become Regional Parent Resources for other Deaf and Hard of Hearing families throughout Indiana. If you are interested in participating in future trainings, please contact Diane Hazel Jones at 924-8418 or 1-800-722-6166

Volunteers - This year, 17 Ball State Participants are volunteering at I.S.D. They are volunteering in the Library, the Stellar Cellar, in classrooms, and in the ASL lab to name just a few places. Some participants also help the little preschoolers get ready for bed, a duty they really enjoy. For the month of October, the participants volunteered a total of 243.33 hours and averaged 16.02 hours individually! This is a great accomplishment! BSU participants, thank you for all of your service and help. We appreciate you!

Please Help - A former ISD student, Asmani Aluta, is seeking a host family for his sister, Jeannette, so she can come to Indiana and attend ISD. Jeannette is currently living in Burundi, Africa. She is eighteen years of age and wants to complete her high school education at ISD. Please contact Pam Burchett, Social Services Coordinator, at 920-6275 if you are interested. Thanks!

ISD Jerseys for Sale – The Class of 2001 is selling ISD Jerseys that say Indiana Deaf School on the front with the ISD logo. On the back you can have a name printed with a number such as your class year. The cost varies from \$20 for a plain jersey to \$38 for a XXXL. Colors are black or orange. See a Senior or Beatrice Pfaff to purchase the jerseys. Deadline for ordering is October with delivering on November 30.

ISD Neck Straps for Sale – The Class of 2001 is selling Indiana Deaf School neck straps for \$8.00. These are great for keeping your keys always accessible. The straps are available through October by contacting a Senior or Jamie Carr.

Holiday Wreaths – The Class of 2001 is selling holiday wreaths. The wreaths will arrive at ISD on November 30. The deadline for your order is November 8. You may also send a wreath directly to a friend for a small fee. These wreaths will be shipped on December 10. The wreaths cost:

- 26" Balsam Wreath \$18
- Balsam Gift Pack (includes wreath & brass hanger) \$30
- 34" Christmas tree Wreath \$30
- 36" Mailbox Swag \$18
- 24" Balsam Swag \$14
- 20 ft Balsam Garland \$25
- 13 3/4" Solid Brass Hanger \$5

See a Class of 2001 students (senior) or a class sponsor to order. The sponsors are Loretta Hammel, James Carr and Beatrice Pfaff.

New ISD Product Available – *Attention, Students, Staff, Parents, ISD Supporters, and Fans in General!* If you want to show your school spirit by proudly wearing the "Orange and Black," then you will want to look at and try on the two varieties of nylon-shell pullover v-neck sweaters in the Principal's Office. The logo "INDIANA" is on the front in either block or script letters. The thinner material (Orange sample) is available in either orange or black and costs \$40.00. The thicker material (black sample) is available in black only and costs \$45.00. There is an additional cost for XXL (\$2.00) and XXXL (\$4.00). Both sweaters have elastic color coordinated collars, arm cuffs, and waistbands. They both also have side pockets. There is approximately a two-week period from the time of order to delivery. The first order will be placed this Friday, November 3rd so that delivery for basketball, wrestling, and swimming seasons, Christmas gifts, and the CSSD Tournament should be guaranteed. Contact the principal's office to view or order these sweaters. Deadline for orders is this Friday, November 3rd and those who have placed an order, but not yet paid, please bring your money to the Principal's office by this Friday.

PTCO Needs Your Donations for a Holiday Sale - Indiana Deaf School's PTCO (Parent-Teacher-Counselor Organization) is collecting new or gently used children's items for a Get Ready for the Holidays Sale. Proceeds will be given to the Preschool/Elementary Playground Fund. PTCO is accepting donations of new or gently used children's:

Clothes Toys Books Collectibles Infant items

Drop off locations are in the Alumni Hall, outside Room #119 (PTCO and Outreach Office) and Preschool Building, outside Room #109 (Preschool Secretary's Office). Donations will be accepted beginning October 16th through ending November 15. Donations will be picked up daily. The Holiday Sale is tentatively scheduled for Saturday, November 18th. More information about the sale will be advertised in the near future. Our playground goal is \$150,000. Currently, PTCO has \$283 in the Playground Fund. This is not a lot of money compared to our goal, but it is a beginning. Thanks to all who have contributed time and/or money to this much-needed fund. Help PTCO build a safe and accessible playground. Please bring donations and help make the Holiday Sale a huge success. For more information, contact Barb Gantt bagantt@mindsoup.com or Jodee Crace jscrace@aol.com.
